Jenny:

We are presently working on an amended order that will likely solve the problem.

Thanks,

David Butler

Subject: 2021-57-T

Good afternoon, David!

I am seeking guidance on some tariff confusion in this docket. Commission Order 2021-243 issued on May 24, 2021 includes the tariff filed on March 2, 2021 as an exhibit. However the Applicant submitted a revised tariff on March 29, 2021. ORS has discussed this with Mr. Simmons, and the March 29, 2021 tariff is what he intended to be the tariff the Commission adopted. Mr. Simmons can confirm, but it is ORS's understanding that the only change is to the language regarding start times and travel in Section 1.1.

Mr. Simmons' revision was filed after ORS filed its Review Letter. ORS does not object to the use of the March 29th tariff, and it does not alter the contents of our Review Letter filed on March 26th. I come to you for guidance on the best solution to get Mr. Simmons' desired tariff approved?

We appreciate your time and assistance in this matter!

Thank you!

Jenny
